

YOUR LOVED ONE DESERVES THE PERFECT FIT.

ABOUT PERFECT FIT

The Perfect Fit Program provides a safe, natural, family setting for individuals to receive the care and support they need, with the independence to explore their own interests. Perfect Fit's unique residential setting welcomes individuals with warmth, compassion, and encouragement, enabling them to gain a genuine feeling of acceptance through stable relationships and community participation.

WHAT MAKES PERFECT FIT DIFFERENT?

Different than group homes and Intermediate Care Facilities, Perfect Fit is a loving family that has opened their home to an individual, treating them like one of their own.

WITH YOUR LOVED ONE IN THE PERFECT FIT PROGRAM, THEY WILL:

- Be a welcome member of a family's home
- Experience the safety and support of a natural home
- Have your support and assurance that they are living a life of purpose
- Have the space and privacy to be themselves, as well as support whenever they need it
- Attend day programs or have a job
- Appreciate the warmth of friendships
- Enjoy doing the things they love – and find new interests
- Have the opportunity to build close relationships and interact within the community
- Contribute as an active member of the household

If you want your family member to receive daily structure and guidance, along with the opportunity for greater independence through community involvement, then the Perfect Fit Program may be just right.
