BREAKING NEWS! Sign up now for best tournament of the year!

People Inc. is gearing up again for our annual **Drive Fore Disabilities Golf Tournament to be held at East Aurora Country Club on August 22, 2011.** This year marks our 10th anniversary for the event as well as our 40th anniversary for the agency so there are sure to be lots of festivities in recognition of these milestones. As in the past, the format will be *four man best ball scramble* with your choice of an early round teeing off at 7:30am or the afternoon round which will start at 12:30pm. Snacks and beverages will be offered throughout the course as well as our traditional shrimp cocktails!

The reasons to participate are many: spending the day golfing with friends, the beautiful hills of EACC, the food, prizes; however, the best reason of all is to support a wonderful cause. As Western New York's leading non-profit human services agency we never close. Operating 24/7, 365 days a year we are able to serve over 10,000 individuals and their families! In addition to our services for those with developmental disabilities, we also assist the senior population by providing affordable senior living

apartments in 17 different locations. *People Inc also strives to use as much of every dollar possible directly toward services and is proud to operate much above the WNY and NYS average. **Please take a minute to register now! Please see enclosed brochure.** *(Under 7¢ of every People Inc. dollar is used for administrative-related, vs WNY and NYS averages of over 9 and 11¢ of every dollar, 2010 industry comparison, 2010 Audited Financial statement, Bryans & Gramuglia CPAs LLC)

Challenging and Beautiful

BY CHRIS KULINSKI

PGA HEAD GOLF PROFESSIONAL
EAST AURORA COUNTRY CLUB

As a first year Golf Professional at East Aurora Country Club, I had really never played a full 18 holes at EACC. After playing and seeing how challenging the golf course is, I get excited to play this beautiful course each time I am able to. Every hole has character, with mature trees lining the fairways, or stunningly quick, tough greens, this course is a golfers delight. East Aurora requires good shot making and patience. If you don't have either of those two qualities you will still enjoy EACC because it is visually one of the most beautiful courses in all of Western New York.

“A top-knotch tournament for an agency that helps 10,000 people a year.”

Oh, To Be So Lucky!!!

Did you know that the odds of an average player aing a designated hole is 48,000 to 1? That's what Golf Digest estimates in an article from their September 2005 issue. Despite these odds, our tournament has been historically kind to participants in recent years. This year, one of the prizes is being sponsored by Reeds Jewelers. Just imagine how good you would look in a Rolex!

2010 HOLE-IN-ONE \$10,000 WINNER

Peter K. remembers it well! "I tee'd up to the left of the pin, using my Nickent Hybrid 3. I lined up to the shot and swung...the wind and rain drove from left to right. The ball went straight down the left side of the hole perfectly... and began to slowly move to the right landing short of the green and hopping twice toward the flag. It rolled toward the flag and disappeared...at that point I yelled! But it wasn't until I got the green that I was informed of the Hole in One!"

2009 HOLE-IN-ONE 2 YEAR LEASE TOWNE AUTO WINNER Jeff B. didn't believe it at first...

"I'm a member of the Beaver Island Golf League but I've never had a Hole in One before or since! I was on #15, it was 178 to the pin and I was using my 4-iron. I swung and the next thing I knew it rolled in! Later that evening I was standing on the balcony of the clubhouse talking to my son on the phone and I got to tell him that I was looking down at the car I had just won!"

"The Drive Fore Disabilities Tournament is always a fun day, for a wonderful cause with old friends and each year I manage to meet a couple new ones! A tournament I never miss!!!"

- Alexandra Marzucco Wehr

"This event represents a unique opportunity to help a local cause. Frequently you hear about ways to support national initiatives but I look forward to this event every year because I know I am directly impacting those in my local community. It's also an extremely well-run event, probably the best around, so I also know I can look forward to an enjoyable day with friends and colleagues."
